

CONVENIENCE SERVICES

Visa® Check Card — Use it instead of writing a check anywhere that accepts Visa. The funds are deducted from your checking account. Your check card also doubles as an ATM card.

ATM Card — For convenient access to your accounts if you don't have a checking account. Free ATM transactions at Money One ATMs. Surcharge-free transactions at Family Service Centers and Allpoint Network machines.

Surcharge-Free ATMs — Visit our website at www.moneyonefcu.org and click on the ATM and Branch Locator Search button to find thousands of surcharge-free ATMs available to Money One members. Some ATMs will also accept deposits!

Shared Branches & Family Service Centers — Locations are available to Money One members, both in the DC metro area and throughout the country. For a list of locations, visit our website at www.moneyonefcu.org.

Direct Deposit — Direct deposit of your net pay or retirement check will save you time and keeps your money safe, and you won't have to stand in line to deposit your check! To sign up for direct deposit, provide your payroll or benefits department with the credit union's routing and transit number (255077600) and your member number.

Payroll Deduction — Payroll deduction allows any portion of your paycheck to be automatically sent to the credit union to make convenient deposits and loan payments. Please contact an Account Services Representative to set up your payroll deduction.

MoneyLine — The MoneyLine automated audio response system is a fast, convenient way to access your credit union accounts 24 hours a day, 7 days a week, from the comfort of your home, office, hotel room, or anywhere else there's a touch-tone phone. MoneyLine is easy to use — simply dial 800-445-5513 or 301-925-4166 and enter your member number and personal identification number (PIN). If you've never used the system before, you will be prompted to enter your Social Security number and then, for security, you will create a PIN of your choice. The system will prompt you every step of the way!
