Who we are

Who is providing this notice?

Money One Federal Credit Union

What we do

How does Money One FCU protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

We restrict access to personal information about you to employees and volunteers that need information about you to provide services to you.

How does Money One FCU collect my personal information?

We collect your personal information, for example, when you

- open an account or apply for a loan
- apply for any services or visit our website
- provide us with information on any online application or transaction

information you send to us by email. Use your credit your personal information from others, including credit bureaus or other companies

Why can't I limit all sharing?

Federal law gives you the right to limit only

- sharing for affiliates' everyday business purposes—information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.

Definitions

Affiliates

Companies related by common ownership or control. They can be financial and nonfinancial companies.

- *Our affiliates include financial companies such as Family Service Centers, insurance companies, mortgage service companies and our financial group*

Nonaffiliates

Companies not related by common ownership or control. They can be financial and nonfinancial companies.

- *Money One does not share with non-affiliates so they can market to you, except for our joint marketing arrangements.*

Joint marketing

A formal agreement between nonaffiliated financial companies that together market financial products or services to you.

- *Our joint marketing partners include financial service providers.*
